The Key of David

To review what was covered in the second and third meetings, The Key of David is the knowledge of the lineage of Jesus and of the evil seed, which is related to the Parable of the Sower, The Parable of the Tares, and the Parable of the Fig Tree. Christ's genealogy is found in Luke 3:23-38, while the bad fig stems from Cain, the first murderer, and whose race is called, Kenites. The kings and queens of England and other Christian nations descend from Adam through Christ, and the generations are recorded in history. As promised, I have attached the genealogy of these monarchs. With this knowledge, the Elect can open doors that no one can shut and shut doors that no one can open (Isaiah 22:22). Smyrna (the good fig) and Philadelphia have this Key of David and will be the only two churches that Christ finds no fault with when He returns. These two churches taught who the Kenites, the goat figs, are in Revelation 2:9 and 3:9.

God's Plan: Count the Mark of the Beast – The 7 Trumps, 7 Vials, and 7 Seals

If we are among the chosen of our Father's Elect, and if we want to be of use to Him, we must understand His plan, especially in this Generation of the Fig Tree, which began in 1948, when the good and bad fig returned to Israel. Let us gain wisdom and understanding. Let us throw away the teachings of men, and listen to our Father's Word:

Revelation 13:18: "Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six."

This is where the famous Mark of the Beast number, 666, comes from (a score is 20 years; therefore, three-score = 60 years). We are told to count this number. Let's practice counting: 1, 2, 3, 4, 5, 6, 7. This is not to be facetious – it is very important that we understand the chronological order in our Father's plan. The number "6" comes before "7." Satan, as antichrist, comes in the 6th Trump, the 6th Vial, and the 6th Seal, or 666. The true Christ comes in the 7th Trump, the 7th Vial, and the 7th Seal. His Word is so simple when we study with understanding, yet man has to confuse it by putting in his own feelings about what should happen in the end times. The Trumps and the Vials are written in chronological order, whereas, the seals are not (except the 6th and 7th Seals), but are written as a side profile view of the end-time events that will occur. Let's start with the Trumpets, which begin with Revelation 8:7. Most scholars believe that we are in the 5th Trump now; therefore, we will focus on Trumpets 5-7, called the "three woe trumpets":

Michael holds satan and his followers in the bottomless pit until it is time for him to be cast onto earth to fulfill the negative part of our Father's plan:

Revelation 9:1-2: "And the fifth angel sounded, and I saw a star [satan] fall from heaven unto the earth: and to him was given the key of the bottomless pit.

And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit."

First comes satan's locust army, which are those third of angels that followed him in the First Earth Age during the katebole, as we studied last meeting:

Revelation 8:3: "And there came out of the smoke locusts upon the earth; and unto them was given power, as the scorpions of the earth have power." How do scorpions have power on earth? First they sting their prey with their poisonous tail, which makes them defenseless, and then they regurgitate their digestive juices into the victim, to turn their backbone into mush so that the scorpion can digest them. The locust army is not composed of real locusts that eat grass, trees, or anything green. Rather, it is satan's followers from the foundation of the world (First Earth Age) that can spiritually harm those that have not studied our Father's Word and who are Biblically illiterate – That is, they do not have the seal of God in their forehead. The next

few verse makes that clear:

Revelation 9:4: “And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.”

The hurt that the locust army brings is a spiritual tribulation, it isn't physical harm. The length of time is given as 5 months. All prophesy, given in months, are related to satan:

Revelation 9:5-6: “And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man.

And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.” Why will men seek death and not find it? Because they will learn that they were following satan and not the true Christ, and on the Lord's Day, they will have to face the true Christ.

Originally, the time period for satan and his locust army was 3-1/2 years, but the time was shortened for the Elect's sake. Otherwise, they, too, would eventually be fooled by satan:

Matthew 24:22 [Also, Mark 13:20]: “And except those days be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.”

If you are still wondering if this is talking about real locusts or not, the next verses should correct the confusion. They were men, but in their spiritual bodies, not flesh bodies. These are fallen angels ready to rule the earth and make spiritual war on us:

Revelation 9:7: “And the shapes of the locust were like unto horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men.” The locust army appears to be very gentle and peaceful (hair as the hair of women), but underneath it all they are ready to chew us to pieces:

Revelation 9:8: “And they had hair as the hair of women, and their teeth were as the teeth of lions.” Remember, they are in their spiritual bodies and so appear as mighty beings. Their technology is also superior. The chariots that they ride are similar to the “whirlwind” that Ezekiel described (Ezekiel Chapter 1), that was a highly polished bronze flying object [Check out the Strong's Hebrew word #2830 for “amber” in Ezekiel]:

Revelation 9:9-10: “And they had breastplates, as it were breastplates of iron; and the sound of their wings was the sound of chariots of many horses running to battle.

And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.” This locust army has a leader: satan, who goes by many names:

Revelation 9:11 “And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apolyon.” However, satan has not come to earth yet, de facto (in person) ,but only his spirit. He heads the one world political system headed by 10 flesh-bodied rulers as we shall see in future studies. He will come de facto in the Sixth Trump (Revelation 9:13-21) to heal the deadly wound – a wound to the one world political system. This is when God's people spiritually fight against satan and the 1/3 of the angels that followed him in the katabole, his locust army. So the Elect have that job to do, and it is interesting that in verse 19, the Elects tails were like unto serpents:

The total time that satan will have will be just 5 months, including 2-1/2 months de facto. The true Christ then comes at the 7th Trump, as written in Revelation 10:1-6.
